

# xstream® zeolite

*Innovative drying system*

# xstream® cool

*Innovative water cooling system*

# xstream® pure

*Innovative built-in dynamic tap water closed circuit demineralization and filtering*

# xstream® gate

*All-in-one motor driven door locking system combined with mechanical valves operation*

# xstream® quick

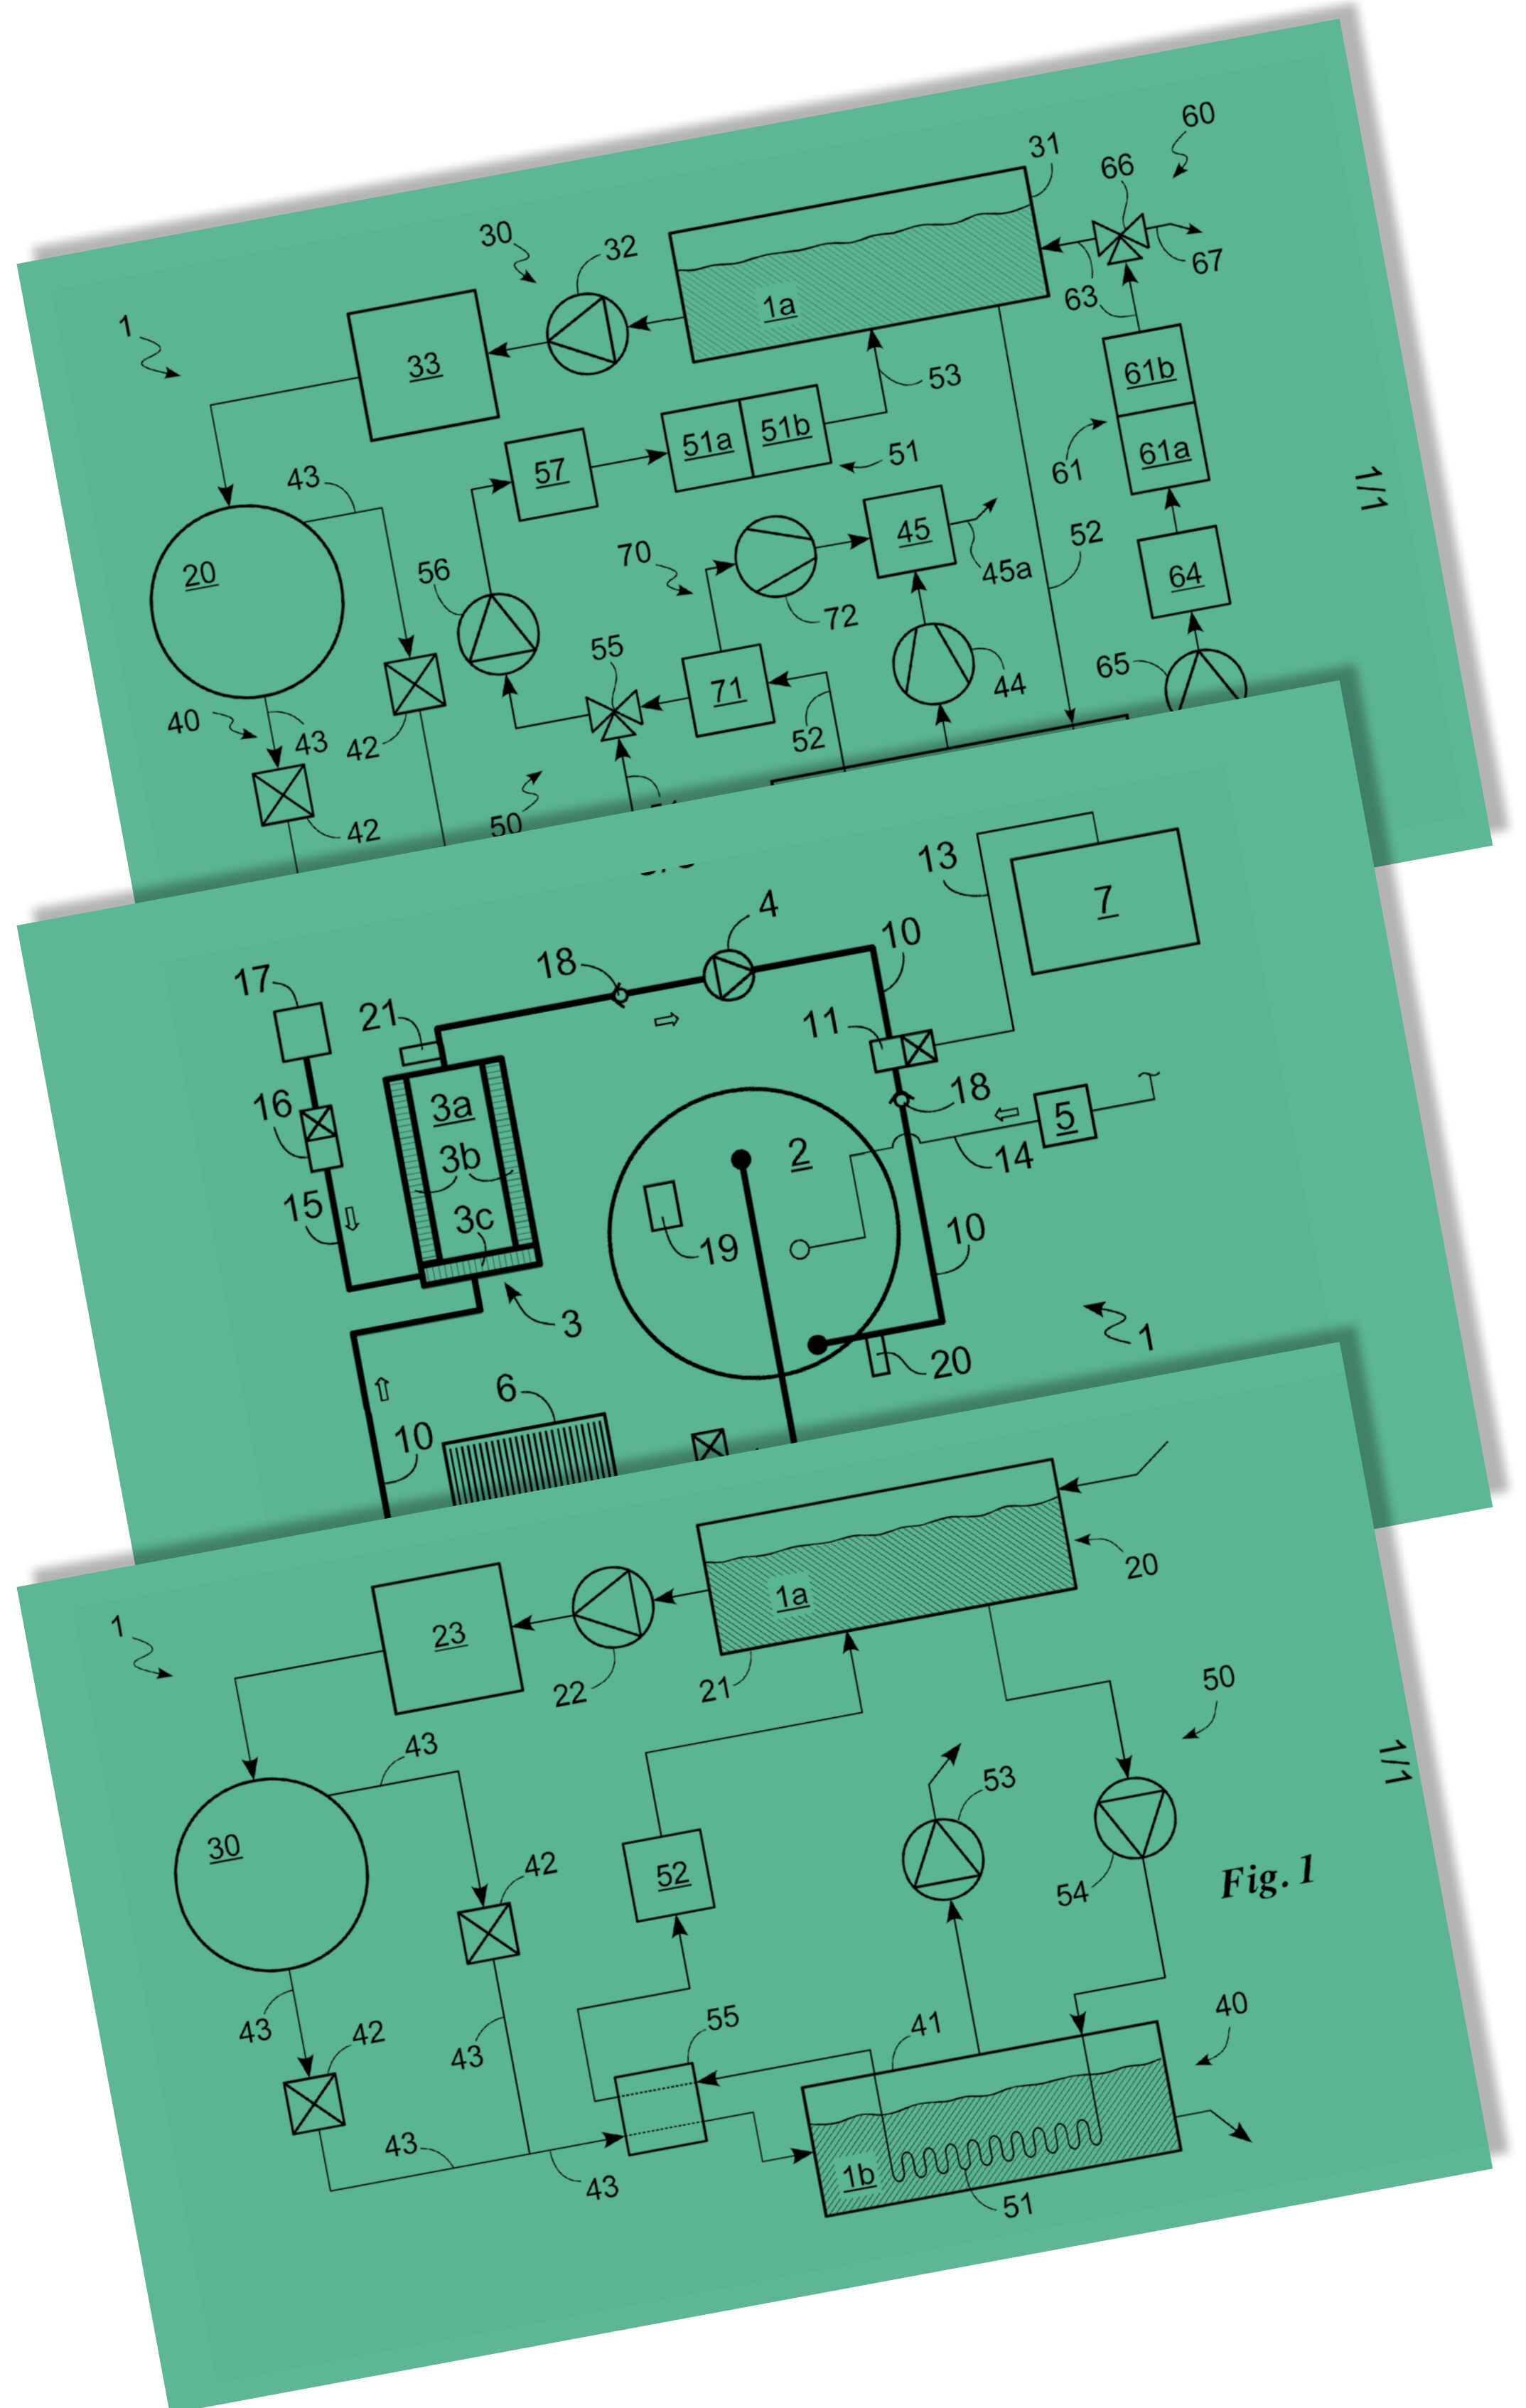

*Innovative steam generator system*

# xstream® simply pure

*Innovative built-in tap water filtering system (as an alternative to Xstream pure)*

# xstream® booster

*Innovative energy storage system*
